Record Release

I, hereby, give permission for the release of my child, _____, academic records (grade point average, test scores, free lunch data, etc.) to the qualified representative of the Georgia State University Educational Talent Search Program.

In addition, the U.S. Department of Education has mandated that all Educational Talent Search Programs track their students after they graduate from high school and enroll in post-secondary education.

I understand that Georgia State University Educational Talent Search Program will contact former Educational Talent Search participants and correspond with their colleges and universities, periodically after high school graduation and I agree to assist the Talent Search Program in this endeavor.

I understand that all such information will be kept strictly confidential and will be used for the purpose of assisting my child in enrolling/participating in the Educational Talent Search Program and to track college progress.

I attest that the information provided on this application (including income) is accurate. All of the information on this form is true and complete to the best of my knowledge.
